

# LOGISTICS AND STORAGE

## Logistics and Storage

Logistics and storage includes the management of all vehicle movements between locations. Every vehicle managed through our re-allocation process will undergo a valet and a detailed safety check to ensure it is roadworthy and fit for purpose. Vehicles are also refurbished and valeted to an acceptable used standard before being disposed of at the end of their contract.

### Main features

- Comprehensive vehicle healthcheck
- Bodywork check /correction
- Full valeting service at our depot
- Vehicle reallocation management and control

## Managing Out

Managing out is a service provided by our in-house team for those moving from multi to sole lease supplier. Adept will assume responsibility for the administration of the fleet and will provide a smooth transition between suppliers whilst reducing the risk of change.

### Main features

- Third party supplier management
- Consolidated fleet reporting
- Consolidate third party invoicing
- Transition project management

## Driver Sales

Driver sales gives drivers, or their friends or family, the ability to purchase vehicles at the end of their lease contract. As part of the package we also include, through AA warranty, their 5 star mechanical breakdown cover as standard for 12 months.

### Main features

- Competitive purchase prices
- 12 months mechanical breakdown
- Find a vehicle service
- Dealing with experienced professionals
